

VACANCY: WORKSHOP MANAGER (Zwartfontein Farm, Wellington)

Dole South Africa, one of the country's leading fruit exporters, is seeking to appoint a **Workshop Manager** to join our dynamic team. This vacancy offers a career opportunity to an individual, who is deadline-driven and possesses good communication and interpersonal skills, as well as the ability to perform effectively under pressure.

Reporting to the **Senior Production Manager**, the successful candidate will be based at our farms in the **Wellington area**.

Minimum knowledge & experience required to perform this role competently:

Education & Experience:

- Completed trade qualification with a minimum of 3–5 years' experience in mechanical, automotive, and electrical fields, preferably within an agricultural environment.
- Sound knowledge of stock control and the maintenance of implements.

Key Performance Areas (KPA's):

KPA's will include, but are not limited to, the following essential responsibilities:

- **Preventative and Routine Maintenance**
- **Maintenance and Servicing of Vehicles and Implements**
- **Cost Control**
- **Stock and Inventory Management**
- **Upholding Safety Standards**

Attributes / Requirements:

- Technical Competence
- Good communication and Interpersonal Skills
- Problem-Solving Ability
- Planning and Organising Skills.

Please forward your application & expected remuneration via email to: hr.sa@dole.com

Handwritten applications may be submitted at the reception of Bonathaba or Zwartfontein Farm.

NB: The appointment will be made in line with our Employment Equity Policy. We will only revert to candidates who have been shortlisted.

Closing date for applications: **20 April 2026.**
